The **Search Results** tab (1) will display two tabs below with search results from **Myli – My Community Library** displayed first (2), and **Shared Collections** (3) is the second tab.

You can place holds on any items from either of these tabs to collect at your local Myli library.

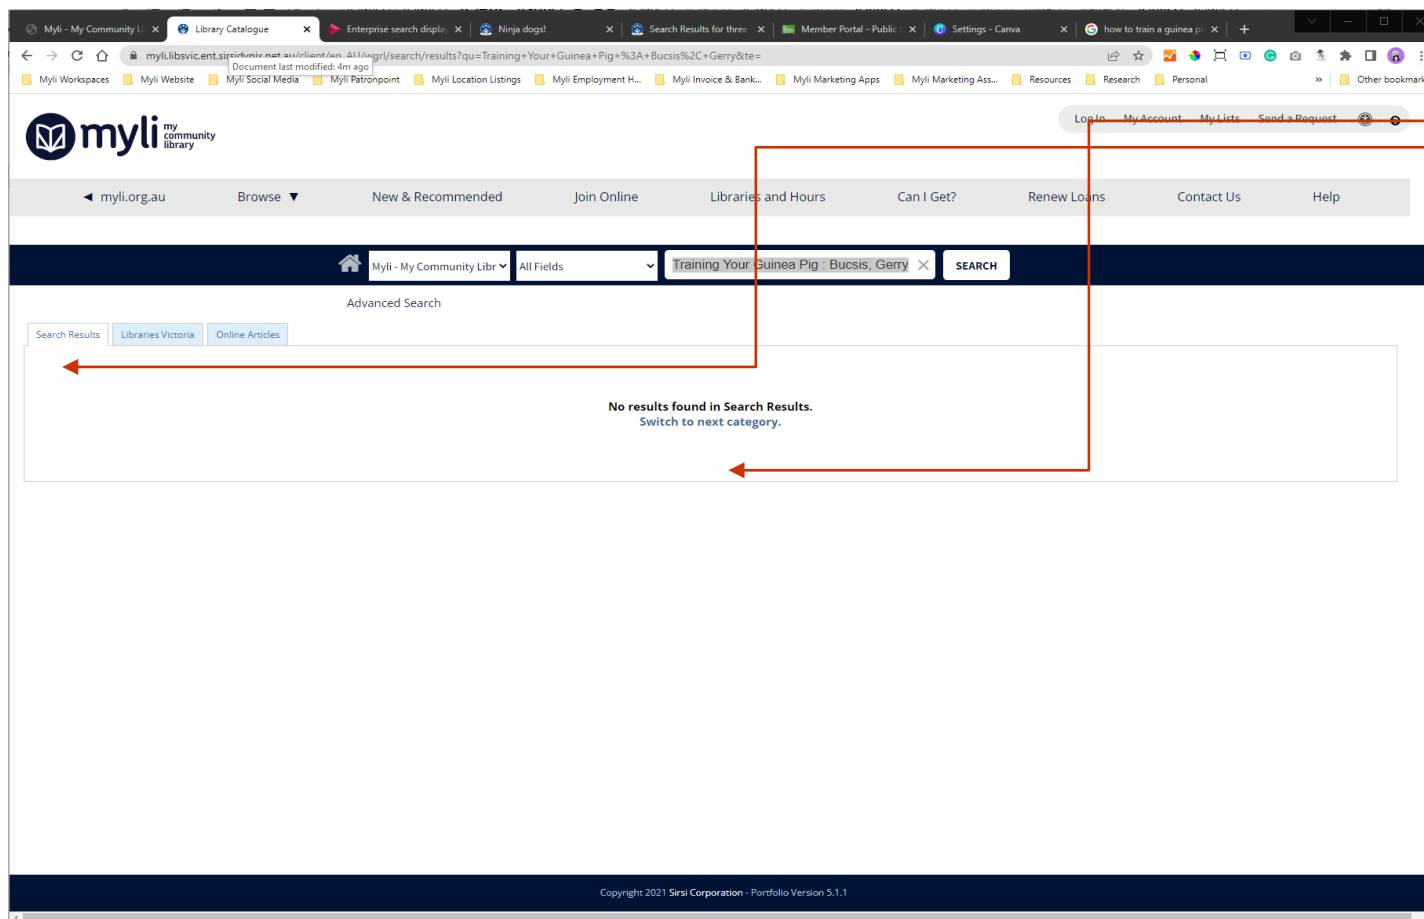

A **Libraries Victoria** (4) tab is also now available. This will search for results from outside our Shared Collections.

You can make a request for an **inter-library** loan on these items, which may incur a fee or you can send us a purchase request. For more information about inter-library loan fees, please see our [Borrowing Information](#) page.

Purchase requests and inter-library loan requests can take up to 10 business days (2 weeks) to be reviewed.

Your account will be updated when your request has been reviewed.

If a specific title is not found in Search Results, then search via the [Libraries Victoria](#) tab:

If the Search Results tab displays a message that no results were found in Search Results you can search for results from outside our Shared Collection by clicking on the [Switch to next category](#) text link or the [Libraries Victoria](#) tab.

You can make a request for an **inter-library loan** on these items, which may incur a fee or you can send us a purchase request. For more information about inter-library loan fees, please see our [Borrowing Information](#) page.
